Neighbor Application FAQs

What is Ozark Mission Project?

Ozark Mission Project is a nonprofit ministry of the United Methodist Church that brings youth groups and adult volunteers to camp sites across the state each summer to serve individuals and families in need of minor home repairs.

What type of minor home repairs can you do?

Minor home repair projects can range from yard work and house painting to more challenging tasks, such as construction of porches and wheelchair ramps. Please reference OMP's "Approved Projects" list to learn what projects OMP can and cannot do.

Will these repairs cost me anything?

No. Because of generous donations from the community, OMP can provide service projects at no cost to individuals and families. Donations from neighbors are always welcome.

How do I sign up for a project?

To be considered for a project, each individual or agency must fill out a OMP's application indicating which services are needed. OMP does not discriminate based on race, age, income, sexual orientation, nor religion.

Where can I find an application?

Applications can be found online under "Apply for a Project" at www.ozarkmissionproject.org, or OMP can email or mail an application to you. Call 501-664-3232 or email info@ozarkmissionproject.org.

When and how do I submit the completed application?

Completed application are due to OMP by May 1, 2021. If we receive your application after May 1, 2021, there is no guarantee we will be able to complete a first visit to evaluate your potential project.

Completed applications can be scanned and emailed to info@ozarkmissionproject.org or mailed to Ozark Mission Project, PO Box 26525, Little Rock, AR 72221.

If selected for a service project, when will the neighbor be contacted?

An OMP representative will contact the neighbor the week before camp starts in your community. Unfortunately, not all projects can be chosen. In this instance, the neighbor will be notified. If your project is not selected for the 2021 camp season, we encourage you to reapply for the next year. Applications will not roll over.

Regarding the ongoing COVID-19 pandemic:

OMP will be following guidelines of the CDC and Arkansas UMC Conference. If OMP cancels camp due to the COVID-19 pandemic, you will be notified.
